* Launch rate: banner placements (tile, half banner, leaderboards and Premier bundle) are 35% off full price until the directory reaches 5,000 verified monthly visitors, then 15% off up to 15,000. If you sign up at a launch rate, you keep it for your first 6 paid months. After that, the rate for the current traffic level applies, with 30 days' notice.

Free social channels: your official Facebook, Instagram, LinkedIn, X, YouTube, TikTok and Pinterest links are connected free. A gray icon means that channel is not available yet, or has not been set up or connected; Advance Global Digital Agency can set it up and connect it to your website and listing. If no paid placement starts within 60 days of your listing going live, the icons turn gray and stop linking until a paid placement starts.

Listing and sponsor prices are locked for 12 months for advertisers who sign up during the launch period. Paid placements are labeled Sponsored or Featured. The Trusted Dealer badge is earned under the rulebook and is never sold.
